THE CALF SCRAMBLE

Through the generosity of the Labatt's Manitoba Brewery Limited the Winnipeg Benefit Horse Show is able to bring patrons of the show a "first in Winnipeg".

As a special feature of the final night of the show a Calf Scramble will be held.

Ten calves, provided by Fred Croy of Stonewall, will be released in the show arena. Twenty junior farmers will take off after them armed only with rope halters.

When the dust has settled around the furious wrestling and scrambling 10 of the boys will have corralled calves and managed to get them back over the finish line.

For their efforts they will be rewarded by Labatt's with purchase certificates valued at \$150 each which are to be applied to purchase of a purebred heifer of any of the beef cattle breeds. These they must feed, fatten and fit for exhibition in a special class to be staged at the 1964 Red River Exhibition. This is in line with Labatt's policy of encouraging breeding of purebred cattle.

The ten losers will each be presented by Labatt's with cattle show halters.

The officers and directors of the Winnipeg Benefit Horse Show wish to publicly express their appreciation to Labatt's Manitoba Brewery Limited for their generosity in making it possible to stage this outstandingly thrilling event. Sincere appreciation is also extended to the Agriculture Department for assistance rendered by their representatives in Altona, Arborg, Ashern, Beausejour, Carman, Morden, Morris, St. Pierre, Selkirk, Starbuck, Steinbach, Stonewall, Teulon and Vita.

Acknowledgement

The officers and directors of the Winnipeg Benefit Horse Show are indebted to the officers commanding the Winnipeg Grenadiers and the Queen's Own Cameron Highlanders of Canada for their co-operation in arranging for the appearance of their units' bands and Guards of Honor each night of the show for the official opening ceremonies.
